СО

- Delivery Time:
- Payment Terms:
- Supply Ability: 100pcs per week

## **Product Specification**

- PART NO.:
- Weight:
- Actual Price:
- Condition:
- Application:
- Color:
- IC693BEM341
- 0.3kg
- Based On Offer
- New Original With Sealed
- Normal
- Oil And Gas Factory

Our Product Introduction

## **Product Description**

GE FANUC IC693BEM341 RX3I CHS012 FIP BUS MODULE

## **Technical Application**

The PACSystems\* RX3i Universal Backplanes provide a dual-bus backplane that supports PCI-based (IC695) and serial (IC693 and IC694) I/O and option modules. The RX3i Universal Backplanes also support Series 90-30 IO and option modules. See the PACSystems RX3i System Manual, GFK-2314 for lists of supported modules. The 16-slot Universal Backplane (IC695CHS016), and the 12-slot Universal

Backplane (IC695CHS012) include the following features:

- Terminal Strip on the left end for Isolated +24V input
   Baskalana grounding point
- Backplane grounding point
   An integral grounding box for
- An integral grounding bar for connecting module/shield grounds
- Serial Expansion connector for connection to Serial Expansion and Remote Backplanes
  Slot numbers printed on the backplane that can be used as a reference for configuration.

### **Our Company**

Wuhan Sean Automation Equipment Co.,Ltd established for over 6 years, believes in providing the best quality,we offer and deliver products worldwide.As a factory automation wholesale distributor,we provides quality new parts along with quality on everything we carry.

We offer a minimum one-year warranty on all products.satisfied for customers are to our purpose.we have been committed to providing quality parts and equipment at the right price and right time to every clients.Many parts are stocked and available with very short lead times to ensure yourparts are available when you need them.

## For Your Information

1) Our company is a supplier of automation industrial products headquartered in China.

2) We have more than 20,000 PLC modules and DCS modules in stock.

3) We are committed to helping customers reduce costs and enrich procurement channels.

4) We are committed to providing customers with higher quality products and services
