- Delivery Time:
- Payment Terms:
- Supply Ability:

Product Specification

- PART NO.:
- Weight:
- Actual Price:
- Condition:
- Application:

- 3500/15-02-02-00
- 1.2 KG
- Based On Offer
- New Original With Sealed
- Color:
- Oil And Gas Factory
- Normal

Our Product Introduction

Product Description

BENTLY NEVADA 3500/15-02-02-00 POWER SUPPLY MODULE

Technical Application

The 3500/22M Transient Data Interface (TDI) is the interface between the 3500 monitoring system and compatible software (System 1 Condition Monitoring and Diagnostic software and 3500 System Configuration software). The TDI combines the function of a 3500/20 Rack Interface Module (RIM) with the data collection capability of a communication processor such as TDXnet.

The TDI resides in the slot adjacent to the power supplies of a 3500 rack. It interfaces with M series monitors (3500/40M, 3500/42M, etc.) to continuously collect steady state and transient dynamic (waveform) data and pass this data through an Ethernet link to the host software. Refer to the Compatibility section at the end of this document for more information. Static data capture capability is standard with the TDI. However, using an optional Channel Enabling Disk will allow the TDI to capture dynamic and high-resolution transient data as well. The TDI incorporates the communication processor function within the 3500 rack.

Advantage Products

Programmable Logic Controller PLC			
PLC	1756-L72,1756-EN2T,1756-RM2		
ICS Triplex	T8403C,T8461C,T8111C,T8311C

Our Company

Wuhan Sean Automation Equipment Co.,Ltd established for over 6 years, believes in providing the best quality,we offer and deliver products worldwide.As a factory automation wholesale distributor,we provides quality new parts along with quality on everything we carry.

We offer a minimum one-year warranty on all products.satisfied for customers are to our purpose.we have been committed to providing quality parts and equipment at the right price and right time to every clients.Many parts are stocked and available with very short lead times to ensure yourparts are available when you need them.

FAQ

1. Q: Do you provide warranty for the goods?A: Yes, we provide warranty for all the goods from us.

2. Q: Could Sean Automation provide technology support?

A: We're in this field many year. If there's any problem, please contact with us,we'll provide suggestion from our engineer to help you solve problem.

3. Q: Does Sean Automation keeps goods in stock or only trading?

A: We have large warehouse for goods. Keep lots of goods in warehouse, so could promise fast delivery.

Fanhai International SOHO , Huaihai Road, Jianghan District, Wuhan 430023.
