

BENTLY NEVADA 135785-02 DISPLAY INTERFACE PANEL

Our Product Introduction

Basic Information

- Place of Origin: USA
- Brand Name: Bently Nevada
- Certification: CO
- Model Number: 135785-02
- Minimum Order Quantity: 1pc
- Packaging Details: BRAND NEW WITH FACTORY PACKAGE
- Delivery Time: 2-3 days
- Payment Terms: T/T
- Supply Ability: 100pcs per week

Product Specification

- PART NO.: 135785-02
- Weight: 1.2 KG
- Actual Price: Based On Offer
- Condition: New Original With Sealed
- Application: Oil And Gas Factory
- Color: Normal

Product Description

Product Description

BENTLY NEVADA 135785-02 DISPLAY INTERFACE PANEL

Technical Application

The 3500/93 System Display is configured using 3500 Rack Configuration Software. The display can be mounted in any of four ways:

1. Face Mounting – display installs directly over the front panel of any full size 3500 rack using a special hinged support. This permits access to the rack's buffered output connectors and user-interface buttons and switches without disconnecting or disabling the display. Note: For this mounting option only, the Display Interface Module (DIM) must be installed in slot 15 (right-most slot) of the rack. The Face Mounting option is not compatible with the 3500 Mini-rack.
2. 19-inch EIA Rack Mounting – display is mounted on 19-inch EIA rails and located up to 100 feet away from the 3500 System. (Up to 4000 feet away from the 3500 System when using the External Power Supply).
3. Panel Mounting – display is mounted in a panel cutout located in the same cabinet or up to 100 feet away from the 3500 System. (Up to 4000 feet away from the 3500 System when using the External Power Supply).
4. Independent Mounting – display is mounted flush against a wall or panel and located up to 100 feet away from the 3500 System. (Up to 4000 feet away from the 3500 System when using the External Power Supply).
